

Meddbase Portal Procedure – Client/Manager

How to register and log in to your portal account

We will need to ask for some personal information to get your manager account set up initially. These details will form your log in security questions.

Information required to set up a manager:

- Name
- Date of birth
- Mobile phone number
- Personal email address
- Work email address
- Eircode

You will receive an email from Central Admin (centraladmin@cognatehealth.ie) asking you to validate your email address and reset your password. Follow the link to steps to set your password.
